Football.

COLLEGE BOYS WIN

Soldiers Defeated By Score of 12 to 11.

TWO TOUCHDOWNS APIECE

MISSED GOAL LETS ALL HALLOWS WIN.

Soldiers Play Brilliant Individual Game, But Team Work Is Weak and That Tells the Story—All Hallows Is Playing Strong Game and Has Good Team Work.

Flushed with victory in a close and exciting game with the Ninth cavalry eleven, the All Hallows college team returned from the first last evening. Twelve to eleven was the score by which the team won, and it was a game in which honors were about even. Each side scored two touchdowns and a missed goal was all that prevented the game from resulting in a tie. The two teams seem very nearly matched, although the All Hallows is somewhat heavier. In team play the college boys were far the superiors of their opponents, and it is to this that their victory was due. The soldiers' defense was in the line and their defensive play was good throughout the game, but on the offensive they rely almost exclusively on the speed and the dodging abilities of their fast team of backs. Lieutenant White has built up an excellent system of interference, but the backs have a tendency to run back, and they almost never follow up a tackle. The greatest weakness of the team is an irrepressible tendency to tackle high. Frequently they had opportunities to stop the fast running backs of the cavalry team, but lost them by high tackles.

The soldiers kicked off to the All Hallows ten-yard line and Canning fumbled. Tilton took the ball by falling on it at the thirty-yard line. By a system of backs at the tackles All Hallows forced the ball right down the field without losing it. The cavalry missed him, and his first touchdown. McKenna carrying the ball over. Fanning kicked an easy goal.

Soldiers Take a Brace. It seemed as though they were going to repeat the process after the kick-off, but the soldiers braced at the middle of the field and the ball of the cavalry was sent back to the twenty-yard line on a long end run. Here the soldiers got down to business and Fanning was forced to punt. He sent the ball out of bounds at the twenty-four-yard line. A couple of ineffective tries at the line and a fumble necessitated a punt, and Barton kicked to Downey, who fumbled, and the ball was sent to the thirty-yard line. Tilton dropping on it. It was brought out and kicked off from the twenty-five-yard line and the first half ended with the score 8 to 0 in favor of the All Hallows.

Williams Gets In It. Captain Williams, who had been out of the cavalry eleven in the second half, All Hallows kicked off and the cavalrymen carried the ball swiftly down the field, mostly by the aid of end runs by Williams and Rinko, to the All Hallows seven-yard line. Here the collegians took another brace and held for downs. They carried it back twenty yards, and then came a fumble and the ball went over again. This time the soldiers were out for a touchdown, and pretty dodging runs took it in two plays to the line and Rinko went over. Williams had to punt out. He sent it accurately to Hennesson, and a moment later Hennesson kicked goal. Score, All Hallows 8, Ninth Cavalry 8.

Fanning's Nice Run. On the kick-off Fanning ran the ball back to the twenty-yard line and behind excellent interference. All Hallows could not gain through the line, and Tilton tried a quarterback kick. It was nicely blocked and the ball went to a soldier boy, who kicked it into the air, where his own goal was, with a clear field before him he turned and commenced to run the wrong way. He was caught at the forty-yard line, and when the soldiers made it a procession down the field with their brilliant end runs, which the collegians could not seem to stop, Barton went over for a touchdown. Score, All Hallows 12, Ninth Cavalry 11.

The same system of play, end runs, in which Williams at times circled one end and at times other worked the ball down again to the All Hallows' goal line. There were but two minutes left to play, and the ball was on the All Hallows' three-yard line when Williams was hurt and had to leave the field. All Hallows made a nice brace at their goal line and were carrying the ball rapidly out of danger when time was called. The line-up of the All Hallows.

Goals—Fanning 2, Hennesson. Final score—All Hallows 12, Ninth Cavalry 11. Referee—Lieutenant White. Umpire—McCormick.

Good Game at Ogden.

(By Telephone to The Herald.) Ogden, Oct. 23.—The game of football played at the Ogden Driving park this afternoon between opposing teams

from the high school and the Madison school, was a surprise to the small crowd that witnessed it. The youngsters showed remarkable cleverness, and but for the superior weight of the high school boys the game from the Madison school would have made it decidedly interesting for them. The score resulted in a 0 to 0 in favor of the high school, two touchdowns by Scudder and Evans being the only scores made in the game. The Madison boys will tackle their high school opponents in more a week from next Saturday.

OGDEN BADLY BEATEN.

Denver Wheel Club Wins By Big Score.

(Special to The Herald.) Denver, Colo., Oct. 23.—The men from Ogden were outclassed on the gridiron today by the players of the Denver Wheel club. The score was 46 to 0 in favor of the Denver team; five touchdowns were made in the first half, and three in the second. Six out of the eight goals were kicked. At no time during the game did the Ogden team have any chance of making a touchdown. Backs made a pretty try for a fifty-yard goal kick from the field. He missed by only three yards. This was the only time the Denver goal was threatened. Backs, until his knee was injured near the close of the last half, played a strong game. He was in every play, and hit the line and he had little aid from the other members of the team. The Ogden men showed lack of practice, poor team work and no ability to get around to line backs, and in these they were not successful. Scudder and Adney, aside from Backs, did the best work. The Wheel club had no touchdowns, but made its longest gains around the end. Six minutes before time in the last half the Ogden men gave up the unequal contest.

Diamond Buckers Win.

The Lowell football team was defeated by the Diamond Buckers, Jesuits, by a score of 15 to 0. The line-up was as follows:

Lowells. Diamond Buckers. Campbell, L. E. Snar. Crookwell, L. T. Heath. Farnsworth, L. G. Ladd. Swan, C. G. Ladd. Radford, R. G. Hammel. Shepard, R. T. Weiser. Backs, R. T. Weiser. McKinnon, R. H. B. McPhie. Hall (Capt.), L. H. B. Glenn. Hall, F. B. Corless. Thatcher, Q. B. Wheeler.

Punts and Passes.

The Y. M. C. A. team will meet the Ninth cavalry eleven at Walker field on Saturday next. This will be the first game that the colored boys have played on their own field and it will give the public the first glimpse of their much-exploited team. The soldiers play a clean, fast and sportsmanlike variety of football, and they will not let the Christians carry away their scalp without a hard game.

Captain Williams of the Ninth Cavalry.

played yesterday afternoon with the All Hallows eleven, was all right last evening and will be in all the future games which the team plays.

The game on Thursday evening at the Salt Lake bicycle arena between the Y. M. C. A. and Collegiate institute eleven was a game of much interest, and while it will not be strictly played according to the rules of the arena, owing to the small size of the arena, it will be interesting as a scenic novelty. The game was played under electric light and a big crowd is expected to witness it.

The High School and University.

teams have arranged a practice game to take place at the university field some day this week.

BIG SURPRISES IN THE EAST

CHICAGO TIES PENN. CORNELL BEATS PRINCETON.

Yale Beaten By Columbia—Indians Score Twice On Harvard—Other Games.

Chicago, Oct. 23.—The football eleven of the University of Pennsylvania barely escaped defeat at the hands of the University of Chicago in a game which for desperate playing has seldom been equaled. The final score was a tie, both sides scoring a touchdown in the second half and neither kicking goal. Total, 2 to 2.

Better football, so far as clean, snappy playing is concerned, has never been seen in two or three games here this season, but for sheer gameness, for rallies when to yield the least bit would result in a touchdown, and for situations tending to produce heart disease, the game was certainly remarkable. Five times Chicago had opportunities to score, twice by place kicks and three by field goals, but the Harvard backs and the Harvard line, inside of Pennsylvania's five-yard line, but only once were the Maroons able to get the ball over the goal line, and that was done when it seemed almost a certainty.

Through poor generalship on the part of Captain Kennedy of Chicago in attempting to make a touchdown, Pennsylvania's left guard, who had the ball for Chicago on downs when it was within two yards of the goal line in the second half, and when, finally, a few moments later, the Harvard line pushed over for the tying touchdown, the Chicago captain missed an easy goal. It was his attempt at a fake kick that cost him the game.

It was his attempt at a fake kick that cost him the game. Kennedy dropping the ball when tackled and Pennsylvania securing it on Chicago's four-yard line. With Chicago's goal line in sight, Pennsylvania's line pushed over for the tying touchdown. But Chicago's goal line was not again in danger.

Early in the first half Chicago discovered that Pennsylvania's left end was weak, and time and again Hamill and Wellington got around for substantial gains. But with the ball within a yard of the goal line, Pennsylvania made the most desperate stand of the game. Three times the line held, and when the Harvard line pushed over for the tying touchdown, the Chicago captain missed an easy goal.

Chicago's all-around playing was superior to that of the Quakers. The latter were utterly unable to get around the Harvard line, and in the first half were frequently held for downs even when using the dreaded guards' back play, which has brought victory to the red and blue in many games. In the second half, however, the Harvard line hammered told severely in the Chicago forwards, and during the series of plays, which resulted in Pennsylvania's touchdowns, they were played off their feet. Most of the time during the second half the ball was well within Pennsylvania's territory, and only the fiercest kind of playing by the well-kick exhausted Quakers saved them from defeat.

Notwithstanding the fact that rain had been falling steadily since morning, the gridiron at Marshall field was in fair condition. Frequent applications of sawdust kept the field from becoming soft. A crowd of fully 6,000 enthusiasts witnessed the struggle, including several hundred visitors for the red and blue of Pennsylvania, and the latter team did not lack encouragement to far as cheering was concerned. Total score: Pennsylvania, 2; Chicago, 2.

The teams lined up as follows: Pennsylvania. Chicago. Combs, R. E. Cassel. Wallace, R. E. Webb. Leas, R. G. Ahlswede. Overfield, C. G. Speed. Hare, L. G. Plangman. Snow, R. E. Felt. Potter, L. E. Henry. Outland, Q. B. Kennedy. McCracken, R. H. Hamill. McKinnon, L. H. Wellington. Davidson, R. E. Backer. Umpire—H. F. Williams, Yale. Referee—R. D. Wrenn, Harvard.

CORNELL BEATS PRINCETON.

Tigers Meet First Defeat at Hands of Cornellians.

Ithaca, N. Y., Oct. 23.—In one of the finest football battles that Cornell

has ever waged against an opposing eleven, the Princeton team was defeated today by a score of 10 to 0. Through the two twenty-minute halves, which were repeatedly interrupted by various players succumbing to the strain of the fierce work, the teams struggled with the odds slightly in favor of Cornell. Princeton was outplayed both in defense and offensive work and as the game progressed Cornell seemed to let out a great reserve force which was productive of telling work. In punting, which was resorted to freely by the eleven, Captain Starbuck held out well and toward the latter part of the contest he was out punting Wheeler. In catching punts for runs or kicking, Wallbridge and Young excelled.

Cornell seldom lost a yard on a fumble. Princeton, on the contrary, was weak in this respect. The great feature of the game was Young's goal from the field, which won the contest for Cornell. It was made in the last few minutes of play, just at the time when it looked as if the game would be a tie. The attendance was 8,000. Line-up:

Cornell. Princeton. Danville, L. E. Palmer. Wilson, L. G. Mills. Polger, L. T. Tilton. Warner, L. G. Mills. Pierson, L. G. Lacey. Booth, L. G. Mitchell. Caldwell, R. G. Edwards (Capt). Alexander, R. E. Bodine. Tausser, R. E. Poe. Cross, Q. B. Hutching. Young, Q. B. McCord. Wallbridge, L. H. B. McCord. Morrison, R. H. B. Kafer. Starbuck (Cap.), F. B. Wheeler. Bryant, R. E. Mattie.

ELIS DEFEATED.

Columbia Scores Touchdown Against Yale.

New York, Oct. 23.—At Manhattan F. I. d today in a game that was fiercely contested throughout the football season, the Yale team was defeated by Columbia by a score of five to nothing. In addition to this Columbia carried the ball across Yale's line two more times in the same half, one of which was a forty-yard run by a back named L. H. B. over, as weeks carried the ball over again for a touchdown on the first line-up after this kick. It was a beautiful run of about seventy-five yards, in which the back carried the ball over the goal line and the score was, Columbia five, Yale nothing.

Thus ended the game with the ball in the middle of the field. The weather certainly favored the sportsmen, and more than the players, and that the men were able to last a rapid game on such a sultry day speaks well for the physical condition of all. There were going to be several games in the Columbia's colors predominated, but the dark blue of Yale was sparsely distributed throughout the grandstand. Line-up:

Columbia. Yale. Stocvitch, R. E. Thomas. Knapp, R. T. Gould. Wright, L. G. Cunda. Longacre, L. G. Brown. Smythe, L. T. Hale. Neidinger, L. E. Fincke. Wilson (Capt.), Q. B. Sharpe. Weeks, L. H. B. Adams. Molley, R. H. B. McBride (Capt). Norman, F. R. Boydard. Larendun, R. E. Boydard.

INDIANS SCORE ON HARVARD.

Little Hudson Kicks Goal From the Field.

Cambridge, Mass., Oct. 23.—While Harvard had no difficulty in disposing of the famous Carlisle Indian eleven in the first half, the crimson players were unable to keep little Hudson from kicking his customary goal from the field and a wretched miff by Grass early in the game, followed by a quick pick up by Red Water, who ran fifty yards for a touchdown, gave the visitors five more points, making the final score 22 to 10. This was the first time that Harvard backs at times and during the latter part of the game the Indians, discovering a weak spot in the crimson line, hammered there for steady gains until the thirty-yard line was reached. After two downs without result Hudson drove the ball between the goal posts.

The little Indian quarterback, however, did not make the mistake of handing the ball to himself, for Burnett made a fine goal from a place kick on the Indians' fifty-yard line, and Hallows' punting was almost as good as Haughton's last year.

The entire Harvard eleven played with a snap and dash that carried the 12,000 people almost off their feet with enthusiasm. A Harvard man was injured during the entire game. On the other hand, a number of the Indians were badly battered. Wheelock was carried from the field and tonight is still in a hospital. His injuries apparently resulted from a blow on the head.

Fatal Injured In a Game. La Crosse, Wis., Oct. 23.—Herbert Cole of the sophomores at La Crosse high school, aged 18 years, was probably killed by a football player today in Winona, his skull being fractured. Several doctors pronounce his case hopeless.

Kansas Defeats Indians. Lawrence, Kan., Oct. 23.—Kansas University defeated the Haskell Institute Indians at football here today. In the second half, with the score 18 to 0 in favor of Kansas, Emory Oatman put Indian Harris out of the game for slugging, whereupon the Indians left the field.

University of Michigan Wins. Champaign, Ill., Oct. 23.—The University of Michigan defeated the University of Illinois today by a score of 5 to 0. Neither scored in the first half. Michigan scored in the second half, down within five minutes of the end of the last half, but missed goal. Michigan's weight won the game, which was hard fought from start to finish. The game was not held until the second Michigan secured a touchdown, from which they failed to kick goal. This ended the scoring.

Stanford Freshmen Win. San Francisco, Oct. 23.—The freshmen team between Stanford University and University of California was won by the former, score, Stanford 6, California 0.

Other Eastern Games. At Galesburg, Ills.—Knox 35, Eureka 0. At Oberlin, O.—Ohio State university 6, Oberlin 0. At Cincinnati—University of Cincinnati 26, Centre college of Kentucky 0. At Cleveland, O.—Case school 24, Baldwin university 0.

has ever waged against an opposing eleven, she wrestled victory from Princeton today by a score of five to nothing. Through the two twenty-minute halves, which were repeatedly interrupted by various players succumbing to the strain of the fierce work, the teams struggled with the odds slightly in favor of Cornell. Princeton was outplayed both in defense and offensive work and as the game progressed Cornell seemed to let out a great reserve force which was productive of telling work. In punting, which was resorted to freely by the eleven, Captain Starbuck held out well and toward the latter part of the contest he was out punting Wheeler. In catching punts for runs or kicking, Wallbridge and Young excelled.

The Curt.

BLACK CLOUD WINS MATCH.

Bodine Defeated In Three Straight Heats.

Quite a number of prominent turfmen went out to Agricultural park yesterday afternoon and watched the match race between the two fast pacers, Black Cloud and Bodine. The race was Black Cloud's easily. The horse took three straight heats, in the first and third nearly distancing Bodine, who seemed to be unable to hold his feet and went up in the air so often that she had no show at all in either of the heats. The second heat was the best of the race. Bodine for once got down to business and made Black Cloud work all the way through. The two came under the wire lapped, Black Cloud winning by about half length. The time of the three heats was as follows: 2:33; 2:27; 2:24.

There were several interesting work-outs during the afternoon. Red Bird, with Carberry up, made a hat act in fifty-one seconds. Bernice, bestirred by Nattress, went an eighth in twelve seconds, and the fast pacing horse Fleet was driven a quarter in thirty-five seconds.

Results at Los Angeles.

Los Angeles, Cal., Oct. 23.—The races today resulted as follows:

2:10 pacing, purse \$300—Jennie Mc. won, Fanny Putnam second, Deltatress third. Heat time—2:29.

Pacing, free-for-all, purse \$3,000—John R. Gentry won, Joe Patchen second, Amacorda third. Time—2:03.

Running, one mile from Los Angeles, Brown Prince second, Jerid third. Time—1:40.

Four and one-half furlongs—Proclamation won, Free Freedom second, Nive his third. Time—1:10.

Six furlongs, selling—Sea Spray won, Caetear second, The Miller third. Time—1:35.

Two miles, selling—Alvero won, Ellen Wood second, Gilbertfist third. Time—3:06.

Accident at New York.

New York, Oct. 23.—An accident happened in the third race at Aqueduct which may result seriously. On the fourth lap the horse went down in a bunch, and all their jockeys were more or less hurt. Macon, Manitoba and Sir Guy were the horses, ridden respectively by Cobb, Callahan and Evans. It looked as if Macon crossed his legs and fell, and the others could not prevent falling over him. Cobb and Callahan had their collar bones broken while Evans' leg was broken. The race resulted in a sensational dead heat between Shoreham, the favorite, and Erwin.

Cycling.

RACED TO DEATH.

Cycle Racing Game Was Overdone This Year.

"It is a pity that cycle racing was run into the ground this past summer," said an enthusiastic follower of the sport yesterday. "I am afraid that the game has been so done to death this year that it will not take at all next year. They ought to have stopped giving meets before it became so bad, and then the people would have left in their minds the memories of the races during the summer, when the evenings were warm and the people came to the track in crowds and enjoyed the races. These last few meets have been the worst kind of fizzes, to my mind. To be sure we have had the best men in the country here, but it has been so cold and so wet that the game has been so overdone that the people who could ever have been interested in it have been so tired and so cold that they could do no better than to go to bed and sleep. It was a mistake to continue the meets so long, and it will hurt the sport next year, I am sure."

Riders Leave.

Today the bicycle riders who have been in Salt Lake this summer, as well as those who recently came on from the east, will pack up their dunder and themselves to summer homes. The party consists of McFarland, Stevens, Freeman, Downing, Iver Lawson, Turville and Juth, and they will go direct from here to San Jose, Cal. McFarland has secured control of the racing track in that city, and he proposes to promote a number of meets this winter. The riders will divide their time between San Jose, San Francisco and Los Angeles, and will be in nearly the whole winter in the state.

Baseball.

BASEBALL GAME.

Short Lines and Rio Grandes Expect to Play.

There was some talk yesterday of giving up the baseball game this afternoon between the Short Lines and Rio Grandes. The players arranged the game for the benefit of one or two of their number, but they found some difficulty in making up a team. They finally made up two teams. The game was called for 3 o'clock this afternoon on Walker field, and the line-up, as announced, was as follows:

Short Lines. Rio Grandes. R. G. W. Seare, C. Berkley. Kilder, P. Gerhardt. Bowman, L. B. H. Margetts. Miller, L. E. Meineke. Hughes, S. S. Bennett. McFarlane, S. B. Boylan. Griggs, L. F. Hopkins. Barnes, L. F. Nels Margetts. Burns, R. F. Jones.

Ephraim Beats Mt. Pleasant.

(Special Correspondence.) Mt. Pleasant, Oct. 23.—The off-posted game of baseball between the Mt. Pleasant and Ephraim teams was finally pulled off in this city yesterday afternoon. The game was an interesting one, notwithstanding the large number of rain made.

Both pitchers were in good form and did effective work. Thomas Barton of

(Continued on Page 4.)

WHY DR. SHORES ADVERTISE.

Drs. Shores & Shores, Salt Lake's Popular Physicians and Specialists, Have Frequently Been Asked Why They So Extensively Advertise, and the Doctors Are Perfectly Willing to Give Their Reasons Briefly, Feeling That They Are Good and Sufficient Reasons.

WE ADVERTISE FIRST

BECAUSE we have something of special value to sick people which we desire to call their attention to, NAMELY SKILL AND EXPERIENCE. Drs. Shores have made a SPECIAL STUDY of Deafness, Catarrh and all forms of Nervous, Chronic and Private Diseases—as is evidenced by the fact that in the past seven years Drs. Shores have treated in their several offices in Los Angeles, Sacramento, San Diego, San Francisco, Denver and Salt Lake City, OVER 60,000 cases of Chronic, Nervous and Private Diseases—thus giving them a personal experience with Chronic Diseases that few doctors ever get—and which is of value to the sick.

SECOND—Drs. Shores Feel It a Duty to Advertise.

Drs. Shores belong to the "Regular" school of Physicians and Surgeons, both having graduated from America's leading Medical Colleges, and hold Diplomas from the same. Drs. Shores feel that this distinction alone is a great honor but they feel also that they having PERSONALLY TREATED OVER 60,000 cases of Chronic and Private Diseases in the past seven years in an opportunity that falls to the lot of but few Medical Men, and it is therefore a duty to tell the people these facts; what they are and what they can do along the lines of legitimate medicine. That Drs. Shores make many radical cures where the case seemed totally hopeless to less experienced physicians is an acknowledged fact to all observers. THE REASONS FOR IT are what makes it incumbent on Drs. Shores to ADVERTISE THEIR SKILL IN CURING DEEP-SEATED CHRONIC DISEASES.

THIRD—Drs. Shores' Low Fee System is an Educator.

Drs. Shores & Shores are the originators of the low fee rate in the West. By Drs. Shores' system of specialty practice, the services of experienced competent Specialists is brought within the reach of the poorest in the land, as well as the rich, and shows sick people what is a RIGHT AND PROPER CHARGE, and WHAT IS EXTORTION.

In all cases of Deafness, Catarrh, Asthma, Lung troubles and all forms of Chronic diseases of a Catarrhal nature—whether of the Head, Throat, Stomach, Liver, Kidneys or Bowels—Drs. Shores charge but \$5 a month, ALL MEDICINES, CARE AND ATTENTION FURNISHED FREE. Let it be understood that this low fee of \$5 a month for all Catarrhal Chronic Diseases pays for treatment in the office with the most modern system and up to date methods in America. It pays for all medicines used—Drs. Shores furnishing all needed medicines from their own private laboratory free—\$5 pays the bill for one full month, and if you pay more you pay too much.

Under this plan, time is saved, and the patient is not kept waiting for a "professional." Drs. Shores know that many doctors consider that to advertise (and pay for it) is also unprofessional. But Drs. Shores also know the day of "LONG WHISKERS AND MYSTERY" in medicine is fast giving way to up to date methods, and that people no longer ride in "HORSE CARS" because they have been superseded by something better—"ELECTRIC CARS."

People who are sick WANT TO KNOW if they can be cured of their ailment and WHAT IT WILL COST. What would you think of a great Store that sold the best goods at lowest prices and did not advertise the fact?

Drs. Shores have something to sell—their skill and experience, that is worth your money—that is why they advertise.

Drs. Shores are specialists in the Cure of Catarrh, Deafness and all forms of Nervous, Chronic and Private Diseases. If you are sick and ailing come and consult with the experienced DR. SHORES. Consultation is FREE whether you take treatment or not. COME BEFORE IT IS EVERLASTINGLY TOO LATE. YOU CAN CONSULT DR. SHORES AND LEARN THE TRUTH FREE.

Another Sufferer Finds Relief in One Month.

CATARRH. HEART TROUBLE. NERVOUSNESS.

MRS. JENNIE PARRY.

No. 17 North Seventh West Street, Salt Lake City, Utah.

Mrs. Parry says: "I have suffered some time with Catarrh of the Head and Bronchial tubes, palpitation of the Heart and extreme nervousness bordering on hysteria. I had no appetite, work tired me out, the noise of the children at play drove me near frantic, and would cry at night. I could not sleep with splitting headaches."

"I have been under Drs. Shores' care just one month, and in that time they have made a wonderful change in me. I am feeling better in every way—every symptom of my disease has disappeared. I am now able to do my work."

"I am satisfied I am improving daily, and feel so much better now that I feel it a duty to others to add my testimony to the skill of these experienced doctors. I certainly wish them success, for they deserve it. I shall be pleased to talk with any one interested in my case if they will call on me."

"MRS. JENNIE PARRY, No. 17 North Seventh West Street, City."

CORRECT DIAGNOSIS.

Catarrh may exist anywhere that you find a mucous membrane or lining. It may begin in the head, extend to the Ears, the Throat, the Lungs, the Bronchial tubes, the Stomach and other parts of the body, and every case must be treated differently. In some cases the difference may be slight, while it is great in others, but in all cases this difference of treatment is all important. In fact, the key-note of success.

Drs. Shores carefully diagnose each case—they find the starting point, and then trace the ravages of the disease to its extent—finding out every portion affected—and then proceed to treat the affected parts carefully and scientifically, so when a cure is made the whole disease is eradicated and there is no more trouble.

To correctly diagnose, a doctor must have had abundant experience, and no one is better fitted for this work than Drs. Shores, after their years of special attention to this great American curse. What looks mysterious and incurable to many doctors is as clear as day to these trained specialists; they know the "earmarks" of Catarrh, no matter what its form. Every course of treatment given by Drs. Shores includes medicines for such ordered organs, and local and internal treatment for the complete eradication of the poison from every part of the system.

That is the way to cure Catarrh—the successful way, and, in fact, the only way that Catarrh can be cured.

Don't let ignorant or unskilled doctors experiment on your trouble, don't try to do the impossible by wasting your money on snuffs and ointments. Remember, Drs. Shores guarantee a permanent cure, painlessly and permanently for less money than you would spend every month in experimenting.

Office hours: Daily, 10 a. m. to 6 p. m. Every evening, 7 to 9 p. m. Sundays, 10 a. m. to noon.

IF YOU LIVE OUT OF TOWN, DR. SHORES & SHORES, WRITE for their new symptom list and get their advice free.

\$5.00 A Month, medicines Free, for all Catarrhal Chronic Diseases.

DRS. SHORES & SHORES, EXPERT SPECIALISTS, Salt Lake City, Utah.

HARMON BLOCK, Entrance, Room 210. 34 East Second South St.
